

Official Academic Transcript (Fuzhou University)

Official Translation — Chinese version sealed by Registrar on file

Student: Qisheng Xu
Student Number: 260105** (Fuzhou University)
Degree: B.Eng. Safety Engineering (4-yr)
Department: College of Environment and Safety Engineering
Duration: Sep 2022 – Jun 2026 (expected)

Overall GPA: 4.30 / 5.00 ($\approx$ 91.6 / 100 weighted average)
Major Ranking: 1 / 52 (Top 1.9%)
Award Category: First-Class Academic Scholarship · 3 consecutive years

Selected Core Course Grades (100-point scale):

- Principles of Chemical Safety Engineering — 95
- Fire & Explosion Prevention & Control — 94
- Numerical Simulation (FDS + Fluent) — 93
- Engineering Thermodynamics — 90
- Heat & Mass Transfer — 92
- Quantitative Risk Assessment (QRA) — 94
- Battery Safety Seminar (elective) — 95

DOCUMENT PLACEHOLDER — OFFICIAL SCAN PENDING

This is a placeholder page. A registrar-sealed bilingual transcript will replace this file within one week.

- This page is a temporary placeholder so the CV website renders without broken links.
- I will replace this file with the officially issued scan (red seal / transcript seal) soon.
- If you are a reviewer and need the original document right now, please email me directly:
